

A black and white line drawing of a coloring page. The background is a dense pattern of various flowers, including daisies and larger multi-petaled flowers. In the center, there is a decorative, rounded rectangular frame containing the text "Spring is in the Air". The word "Spring" is written in a large, flowing cursive font. "is in the" is in a smaller, simpler font. "Air" is written in a very large, tall, thin font. To the left of the frame, a butterfly is shown in profile, facing right. The entire page is designed for coloring.
